

Nights Away Notification

This form provides the information a Commissioner requires to **APPROVE** an event to take place (i.e. POR 9.1b/9.1c). Each group attending a Nights Away event (even a County or District event) will need to submit this information.

For all Nights Away experiences all of the information below should be with your District Commissioner (or appointee) **SEVEN** days before the event (in normal circumstances). How the information is passed on will depend on local arrangements (this may be for example by telephone call, e-mail or fax).

For all Nights Away held at facilities not owned or operated by Scouting, such as public or commercial campsites and youth hostels, the host District Commissioner ^(Note 1) must also receive a copy of the information, normally this should be **FOURTEEN** days before the event. Where an expedition is taking you across a number of Districts or Counties this information should be sent to the County Secretary(s) instead.
